

manner. ECF No. 27. In addition, Plaintiff requests that the court issue a default judgment against Defendant and award the \$10,000 insurance proceeds to Plaintiff.

It appears to the court that Defendant does not wish to contest Plaintiff's right to the insurance proceeds. Defendant is advised that Plaintiff's Motion for Default Judgment, if granted, would end this matter and award the \$10,000 in insurance proceeds to Plaintiff. Defendant has the right to submit a response to Plaintiff's Motion for Default Judgment. Any such response must be provided to the court no later than **May 29, 2015**. Any response must also include Plaintiff's response to the Complaint in this matter, which can be found at pages 4-6 of ECF No. 1-1.

In the event Defendant does not respond adequately to the Motion for Default Judgment by this date, Plaintiff's motion may be granted, thereby awarding the insurance proceeds to Plaintiff and ending this case.¹ See *Davis v. Williams*, 588 F.2d 69, 70 (4th Cir. 1978); Fed. R. Civ. P. 41(c). The Clerk is instructed to send this Order to Defendant via U.S. Mail and certified mail.

IT IS SO ORDERED.
